Recommended for international students!
Aim to obtain a visa to work in Japan!

2-Year Program Co-ed

International Business Course

POINT 1

Learn Japanese business skills!

You can learn business skills such as marketing, IT, accounting, and business manners for finding employment in a Japanese company! We also provide career support with a view to finding employment on a specific skills visa in the accommodation, restaurant industry, food and beverage manufacturing industry, etc.

POINT 2

Full support for finding employment in Japan!

Your homeroom teacher and the school will support you in your job hunting in Japan! Ultimately, you will aim to find employment on a "Technical/Humanities Specialist/International Services (Technical Person)" visa.

POINT 3

Curriculum aiming for JLPT N1

Not only business knowledge, but also a wide range of classes where you can learn Japanese, such as "Japanese Expressions"! With the support of Japanese language teachers, you can aim for JLPT N1 level Japanese language proficiency!

POINT 4

You can get many qualifications that will be beneficial for your job!

With comprehensive support for obtaining qualifications, you can obtain many qualifications that will be advantageous for employment, such as the National Trade Skill Test for the Restaurant Service and the Hotel Management Skills Test!

POINT 5

Start your fun school life!

There is a startup program that allows you to deepen friendships with your classmates after enrollment, so you can start your school life with peace of mind and enjoyment!

POINT 6

We provide lifelong, reliable support for finding employment and changing jobs after graduation across the country!

We have over 60 sister schools in 12 cities across the country, so even if you get married, have a baby, or move after graduating, you can receive job-hunting support all over the country!
